President for the ensuing year.

The case so long pending between Drs.
Smith and Edmunds, of Weston, in regard
to the right of the latter to practice medicine in that town, lately came to trial.
After speeches by eminent counsel on each
side a verdict was rendered giving Dr.
Smith one cent damage.

The Vermont Novelty Works Company,
of Springfield, made a dividend of twenty
per cent, at their annual meeting.

On the recent breaking up of the ice in

Mrs. Waughop has been reading in Sheidon.

The Lamoille Valley railroad is being
pushed forward slowly. Two gauge of workmen are engaged at Sheldon.

Robert Garland has discovered considerable deposits of lead one on his farm on the
cast share of Isle La Mott. He finds it near
the surface and has no doubt that large
from \$500 to \$5000.

A Masonic Festival will be held at Isie
La Mott, on Wednesday the 19th inst.
The Freemasons of Concord, N. H., are
looking up a site for a Masonic Temple.
The Fort Atkinson, (Wis.,) Herald says
that Rev. J. Britton, formerly of Bradford,
and for some years Grand Chaplain of the
Grand Chapter of Vermont, is still an active
member of the Fraternity, having jost been
re-elected Secretary of Billings Lodge and
also of Fort Atkinson Chapter.
The Oriental Lodge, of Chicago, dedicated the finest Masonic hall in the country,
recently.

outside the order.

The Omaha, Nebraska, Lottery, which was extensively advertised, claiming to be for the purpose of raising fainds for the erection of a Masonic Temple in that city, proved to be anything but a square institution. It turns out, like all latteries, to be a humbing of the first water, therefore we trast all honest men will take due notice and govern themselves accordingly.

We notice that Right Worshipful Brother Robert Morris, LL. D., Past Grand Master of the Grand Lodge of the State of Kennacky, and institutor of the so-called "Conservators," is again on his travels.

He is reported as having recently delivered a very interesting and instructive facture to the Master Masons of Hoosiek Falls, New York.

To Speculate Successfully.

MASONIC.

At the last communication of the lodge at At the last communication of the lodge at Montgomery the brethren sat down to an excellent oyster supper given by W. Defoe, at A. S. Samson's hotel. After which an address was made to the brethren by Col. John S. Tupper, on the history and works of Free Masonry, taken from a stand point outside the order.

At Derive in a but made of poice, brash and a few beares, 8 by 10 feet in size, lives an Indian and his squaw with the or six pappooses, two dogs, five pappies, a cat, a hen and three doves. The children are mostly bare-floated and bare-leaded. The farmiture is of the simplest kind, consisting of a stave, and a beard in one corner, arel as a shelf and table, and a few dishes. Dear Free Pers

lass played the sen, successful and fortunate caused by the removal of C. M. Willard, and Sannel Williams and John Langdon were elected members of the board to fill vacancies.

Miner Hilliard, of Rutland, recommends a new industry for Vermouthers. It is that of raising bears, and he has had experience. He says that it is much more profitable than raising bears, and he has had experience. He says that it is much more profitable than raising bears, and he has had experience. He says that it is much more profitable than raising bears, and he has had experience. The meat of one he sold in New York for \$20. For the hide he was offered \$80, and he received a boanty of \$16 each for those he raised—this, with the hear's gross, will amount to the sam of one hundred dollars.

Five bears were captured in North Chir
